Beloved St. Peter's Family,

What a wonderful worship service this past Sunday! My family and I feel at home with you all already. We are blessed by the opportunity to share in the life of your community, and to make it our own for a time.

Please do not hesitate to contact me by phone, email, or post. Whether you want to share a story or a joke, or to talk about some difficulty in your life I want to be available to you. Maybe you have a question or concern about theology or church or prayer; those kinds of things are welcome as well. I want to get to know you all, beyond our time together in Sunday worship. I want to laugh and cry with you all, to play and pray with you all.

My schedule will be somewhat variable, but I will strive to be in my office at St. Peter's on Tuesday and/or Wednesday afternoons, and all day on Thursdays.

My time with you all on Sundays will be variable, as I will preside with you all twice per month, and also twice per month with the folks at St. Luke's, Rochester. I will put together a schedule for Sunday worship and will both email it to y'all and have it posted somewhere in the fellowship hall or entryway.

Remember, please get in touch with me about anything, anytime. Especially if you would like for me to pray for you or a loved one, or you would like for your prayers of thanksgiving or concern to be added to the community prayer list.

Blessings to you all.

In faith,

Colin+
